

School Behaviour Support and Management Plan

Chipping Norton Public School

Overview

Our school vision at Chipping Norton Public School is:

Children first.

We develop, nurture and are guided by empowered learners.

We are united with our vibrant and cohesive learning community.

We are driven by equity and high expectations to build success for all.

The NSW Department of Education is committed to creating **engaging** and **effective** classrooms, and **inclusive** and **safe** school communities for all NSW public school students. Students and staff have the right and responsibility to engage in positive and respectful relationships based on valuing the interests, abilities and diversity of others.

These procedures reflect the Wellbeing Framework for Schools and are in line with the Student Behaviour Policy, Behaviour Code for Students and the School Community Charter. They provide a guide for staff, students and parents/carers to understand the processes and procedures that Chipping Norton Public School follows to ensure the wellbeing of all students. It includes information regarding our school expectations, as well as strategies and practices to encourage positive behaviour choices, recognise student achievement and manage inappropriate student behaviour.

Chipping Norton Public School consistently reinforces positive behaviour and aims to ensure that all students and members of the school community feel safe and happy at school. Through the creation of a culture of respect, resilience and safety, students will engage in engaging educational programs with success.

Chipping Norton Public School is committed to providing safe, supportive and responsive learning environments for **everyone**. We teach and model the behaviours we value in our students.

Partnership with parents and carers

At Chipping Norton Public School we recognise and value the fact that parents and carers are their child's first and most consistent teacher. Chipping Norton Public School is proud of the open and collaborative relationship with parents, carers and members of the wider community. By building strong and purposeful partnerships, we inspire, guide and build a love of learning in every child we teach. We have a strong P&C community with over 20 members actively involved.

Chipping Norton Public School will partner with parents/carers in establishing expectations for engagement in developing and implementing student behaviour management and anti-bullying strategies, by:

- inviting parent/carer and student feedback through formal and informal means, such as discussion groups, school surveys, meetings with families, consulting with the P & C and local AECG
- using concerns raised through complaints procedures to review school systems, data and practices. In the first instance, it is recommended that parents contact their child's classroom

teacher. If the teacher cannot resolve the issue, it will be escalated to the Assistant Principal (AP). Should the AP need further assistance, the matter will be taken to the Principal for resolution.

Chipping Norton Public School communicates these expectations to parents/carers through the school newsletter, SEESAW app, and school website. Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing.

School-wide expectations and rules

Expectation – Be Safe	Expectations – Be Respectful	Expectation – Be a Learner
We keep our hands and feet to ourselves.	We are kind to others.	We persist when learning gets challenging.
We move carefully around the school.	We listen and follow instructions.	We are curious and interested learners.
We use equipment responsibly.	We respect all cultures.	We are organised for learning.
We are in the right place at the right time.	We play fairly and follow the rules of the game.	We show resilience.
	We keep our environment clean and tidy.	

Behaviour Code for Students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour code for students.](#)

Whole school approach across the care continuum

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyber-bullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships.

Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. Bullying behaviour involves the intentional misuse of power in a relationship, is ongoing and repeated and involves behaviour that can cause harm.

Chipping Norton Public School staff will identify inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying through a range of channels, for example:

- directly observing a student’s behaviours, interactions, verbal communications, or work produced (such as written materials, performances or artworks)
- a person disclosing information that is not previously known, either because it is new information or because it has been kept a secret
- concerns raised by a parent, community member or agency. Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service.

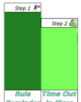

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member.

Classroom Discipline Procedures for Unacceptable Behaviour

Playground Discipline Procedures for Unacceptable Behaviour

Verbally warn students about behaviour choices and consequences. Remind students of playground expectations.

After verbal warning(s), give students a minor consequence that suits the negative behaviour choice (e.g. picking up papers, walk with teacher for 5 minutes, etc).

Time out from play: If student is still not following playground expectations, remove them from play for either 5, 10 or 15 minutes. Teacher on duty issues Orange Slip and gives to student's class teacher. Class teacher records in Classroom Discipline Book and enters as minor on ebs: Ontrack+.

Continual negative playground behaviour that impacts on others' wellbeing: Students receive a red slip and attend Reflection Room the following day, during First Break. Reflection Room attendance is monitored using a folder in the staffroom. Executive will enter as major on ebs: Ontrack+ and pass on to classroom teacher who will record in Classroom Discipline Book. Phone call parent/carer. Inform Stage Supervisor if necessary.

Persistent negative playground behaviour: When a student has received 3 Red Slips (any combination of classroom and/or playground incidents), classroom teacher must hold a parent meeting to discuss the student's ongoing behaviour concerns and form a positive behaviour plan. Record meeting minutes in Classroom Discipline Book. Refer student to Supervisor. Letter home to parent/carer.

If the student does not comply with their positive behaviour plan, the Supervisor may then impose consequences, including limiting the student's play to one space, removing the student from the playground for a period of time, or In-school Withdrawal for more serious or repeated misbehaviour. Meeting with parent/carer.

Lack of improvement in behaviour will result in more serious consequences, including further periods of In-school Withdrawal and/or Suspension for "Continued Disobedience" or "Aggressive Behaviour" (NSW DoE Student Welfare Policy 2011, pp. 6-7; NSW DoE Suspension and Expulsion of Students – Procedures 2011).

Notes: Serious Misbehaviour (i.e. "Big Trouble") may result in placing the student directly on a Red Slip + Reflection Room and being sent to an Executive.

Positive Response to Positive Planned Behaviour

At Chipping Norton Public School we delight in catching students “being good” and regularly acknowledge and /or reward students for following school rules.

The use of positive feedback, in most cases, is more effective in the management of behaviour than negative consequences of behaviour. Consistent and caring behaviour by staff and acknowledgement, formally and/or informally when students are doing the right thing is important at Chipping Norton Public School.

Students are recognised in a number of ways for special effort or results across all areas of the curriculum. Whole school assemblies and newsletters are used to recognise and promote achievements. Newsletters, social media posts and local newspapers are also used to promote achievement of Chipping Norton Public School students.

WHOLE SCHOOL AWARDS SYSTEM

Teachers work towards developing students' intrinsic motivation regarding work habits and appropriate behaviour. The school award system is designed to support this:

Merit Awards

"Greens"

- presented by teachers for a variety of reasons

Citizenship Award

- one student from each class chosen for an award at each whole school assembly, based on one of the five You Can Do It keys to success

Bronze Awards

- Certificate of Achievement for receiving ten Green Awards
- presented at whole school assembly

Silver Awards

- awarded for three Bronze Awards
- presented at whole school assembly

Gold Awards

- awarded for three Silver Awards
- presented at whole school assembly

Principal's Medallion

- awarded for three Gold Awards
- presented at whole school assembly

Sapphire Award

NOTE:

Academic, leadership, cultural, sport and citizenship awards are presented to students each year at the annual Presentation Day Assembly.

Responses to serious behaviours of concern

Responses for serious behaviours of concern, including students who display bullying behaviour, are recorded on SENTRAL. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team

- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- detention, reflection and restorative practices (listed below)
- liaise with [Team Around a School](#) for additional support or advice
- communication and collaboration with parents/carers (phone, email, parent portal, meeting)
- formal caution to suspend, suspension or expulsion.
- The NSW Department of Education [Student Behaviour policy](#) and [Suspension and Expulsion procedures](#) apply to all NSW public schools.

Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- [Incident Notification and Response procedure](#)
- [Student Behaviour policy](#) and [Suspension and Expulsion procedures](#).

Detention, reflection and restorative practices

Students eat their lunch and go to the toilet before attending Reflection Room.

Strategy	When and how long?	Who coordinates?	How are these recorded?
Reflection Room – a structured debriefing and planning after a student receives a RED SLIP (as per STEPS process).	Next day after incident 1 st half lunch	Exec staff	SENTRAL
Restorative Practices – a restorative conversation is had, with the student and is recorded in SENTRAL.	Next day after incident 1 st half lunch	Exec staff	SENTRAL
Alternate Play Plan	Plans are developed to avoid ongoing playground conflicts.	Exec staff and CT
