WELCOME BACK TO 2023

Welcome back to 2023! We have really enjoyed seeing the kids in the past few days, how much they have grown, how sun-kissed they are and to hear their holiday stories. We have had a really settled start to the year and children are happy and engaged in their new classes. We are holding TEMPORARY classes for the next few days, as we welcome back some students from late holidays and students moving into the area. Currently we have formed 13 classes and have 319 students enrolled.
